

# ● URGENT INFO REGARDING WIC CLOSURES ●

ALL WIC PROGRAMS AND SITES IN NASSAU AND SUFFOLK COUNTIES WILL BE CLOSED FROM

**JANUARY 14** *to* **JANUARY 21**

All Long Island WIC agencies will be converting to a new and improved eWIC system. Instead of paper checks, eWIC will use an EBT card system which will allow participants to purchase package items individually and at different times as well as track their benefits online or through a smartphone app.

From January 14 to January 21, WIC sites will be closed and clients will not be able to receive checks during this time. WIC sites will reopen on January 22, 2019, at limited capacity in order to allow time for client EBT-card distribution and training.

While WIC sites are presently working to get clients their benefits in advance, mothers who give birth during the closing will be unable to get checks for formula for their babies. We urge your clients to make an appointment at your local WIC site as soon as possible.

In response to the closure of the WICs, the Health & Welfare Council of Long Island, along with Long Island Cares and Island Harvest have compiled a list of pantry locations across Long Island where WIC participants can seek assistance.
